

The AVA Project

AVA is an animated human figure, an archetype or synthetic embodiment (avatar) that is projected onto the set of a dance performance with interactive and composed sound and sculptural set objects.

The artists are dancer-choreographer Vicky Shick, virtual choreographer and dancer Lisa Naugle, composers Elise Kermani and Sarah Plant, visual artist Barbara Kilpatrick, and digital media artist Kathleen Ruiz.

AVA was performed at the Art Center of Troy, NY, May 25, 2002
